Togetherness??

Conversation

- It is important that the conversation should be clear and concise.
- It is best not to use the quotes such as:
 - “You Never....”
 - “You Always...”
 - “You Tend to...”
 - “You should...”
 - “You Must...”
 - “You Are...”

Keep the Conversation Well-Informed and Avoid:

- Assumption
- Preconception
- Conclusion

Spirituality

- Spend time with God alone
- Pray often with God alone
- Read your Bible alone

Husband/Wife

- Wife or husband leaves God, do not let her or him influence leaving God. Set boundary.
- The relationship with God is individual, not under husband or wife. Just you and God.
- Pray for backslider wife or husband and pray for yourself to stand tall with God regardlessly.
