seminar in the past where they learned about witnessing, but they have not been trained in going out with the mentor to develop their skills because of the short time of the seminar and the lack of skilled mentors to continue with the follow-up.

Then, a new bold idea came up in mind that we should have what is called hands-on training for those who are willing to participate in the training at someone's home. It would be very expensive to have the long-term training at a place of meeting with hotel accommodation, meals, etc. So, staying at someone's home and be trained there would be cost-effective at this time. I shared the idea with a few Deaf members, and they expressed their support for this training. They were willing to come in order to be trained.

I was impressed, and then I shared the idea with David who is the Speaker/Director and the board of 3ADM at the board meeting. They wholly supported the idea and voted to give more funding for the hands-on training.

We all agreed to have the training at Geraldine Pacheco's home in Tucson, Arizona for two and a half weeks. The members who attended were Geraldine Pacheco, Susan Buzzell from St. Louis, MO, Joyce Sturm from Phoenix, Arizona and me as a trainer/mentor from MD.

During the first week, I explained to them about the

For a long time I have been giving videophone presentations to several Deaf members across the country who are thirsty to know God more. It has been a great blessing to me and them as we seek deeper truths in the Bible to improve our relationship with God

However, a few of Deaf ladies expressed their desire to learn how to give Bible studies to their interested students through videophone and in person and learn how to cook healthy meals. They kept asking me a few times about it. They felt that they were not skilled enough to teach the Bible to the students. Interestingly, some of them had attended the Deaf Reach

life of Jesus, about being a true Christian, about our dedication of our time and life to give Bible studies, about temptations from Satan that bother us, and about the importance of having good health, spiritual, and physical through good healthy lifestyle. They learned that our bodies are the temple of God (1 Corinthians 3:16, 17) “Do you not know that you are the temple of God, and that the Spirit of God dwells in you? If anyone defiles the temple of God, God will destroy him. For the temple of God is holy. And you are His temple.” Also, I shared with them the morning and evening devotion from the Amazing Facts devotional.

The second week, we set up the appointments with their students from different states via videophone. Through my example and encouragements, they learned how to teach the Bible properly. They learned that the key to understanding the Bible is to read it every day. And also, they needed to study the lessons before teaching the students as it would help building up confidence and understanding of Bible lessons.

The students liked the Bible studies very much, especially a student who was so very happy to have New International Reader’s Bible (NIRV) through our recommendation. She said that she understood it much better than the KJV Bible. We all felt happy about the progress of the lesson. We were glad that another student is eager to be baptized next spring as she is ready to follow Jesus all the way. I was so impressed by the wonderful work of the Holy Spirit.

I admit that the two-and-a half-weeks training was like a boot camp. The schedule of the training were tight, but we had good breaks during the day and relaxing nature trips in the weekends. I felt that the training was too short for me because we were very busy studying, reading, teaching, and cooking. When the time was up, I wondered to myself about where the time had gone.

I myself really enjoyed teaching, helping, explaining, and guiding them. I pray for them to continue teaching their students. And the students can give Bible studies to new persons. They have kept in touch with me, and I continue to watch them during the Bible study via videophone until they get the confidence to go on their own soon. Please pray for them continually.

## It Is Written Evangelistic Series

The Camelback Seventh-day Adventist Church is hosting It Is Written Evangelistic Series—Revelation Today. The speaker is John Bradshaw, who is the Speaker/Director of It Is Written.

Four Deaf persons have been attending the meetings regularly. The meeting is being interpreted by professional interpreters. The attendees are Joyce and Harold Sturm, who are the members of the Seventh-day Adventist Church. The others are interested in our church, too. They are Margaret Freeman and Sharon Brook. Both of them live in a senior housing in Tempe. Interestingly, Joyce who has been trained by Francisca is now giving Bible studies to Sharon. Both Margaret Freeman and Sharon Brook are interested in becoming members of our church soon.

Praise the Lord for the wonderful things going for the Deaf.

## Speaker's Dialogue: The Blessed Hope

We are saddened by the loss of some of our brothers and sisters in Christ as we get older. Also, some members are suffering with pain in their bodies. The world we live doesn't give us hope of everlasting life and a perfect body. We are losing our family members and friends. We miss them. I still miss my father and mother who passed into rest in 2006 and 2003, respectively.

Is there any hope for us? We have been on earth for over 6,000 years since Adam and Eve who brought in sin. Death has passed on through every generation to now. We haven't seen any of our human technologies able to save us from poor health and death. No one can stop aging, diseases and killings.

But, Praise the Lord! We do have hope—not in this world, but in loving God who is faithful to His promises to His people since the time when sin entered in this world. Jesus is our Promise! The Bible says:

“Sin entered the world because one man sinned. And death came because of sin. Everyone sinned, so death came to all people. . . . God's gift is different from Adam's sin. Many people died because of the sin of that one man. But it was even more sure that God's grace would also come through one man. That man is Jesus Christ. God's gift of grace was more than enough for the whole world. . . . One man sinned, and death ruled because of his sin. But we are even more sure of what will happen because of what the one man, Jesus Christ, has done. Those who receive the rich supply of God's grace will rule with Christ in his kingdom. They have received God's gift and have been made right with him. . . . Sin ruled because of death. So also grace rules in the lives of those who are right with God. The grace of God brings eternal life because of what Jesus Christ our Lord has done” (Romans 5:12, 15, 17, 21, NIV).

Here are the words by Ellen G. White on the blessed hope in one of the devotionals:

“Looking for that blessed hope, and the glorious appearing of the great God and our

Saviour Jesus Christ” (Titus 2:13).

“Jesus said He would go away and prepare homes for us where He is there so we may be also. We will ever dwell with and enjoy the light of His precious face. My heart thrills with joy about seeing Him. We are almost home. Heaven, sweet heaven! It is our eternal home. I am glad every moment that Jesus lives. We shall live because He lives. I say, Praise the Lord. There is a fullness in Jesus, a supply for each, for all, and why should we die for bread or starve in foreign lands?

“I hunger, I thirst for salvation, for obedience to the will of God. We have a good hope through Jesus. It is sure and steadfast. It gives us comfort in suffering, it gives us joy while in pain, removes the gloom around us, and causes us to look through it all to immortality and eternal life.... Earthly treasures have no attraction to us, for while we have this hope. The treasures of earth are passing away. We look forward to the immortal [everlasting] inheritance—the treasures that are strong, perfect, and that don't fade away....

“Our bodies may die and be laid away in the grave. But the blessed hope lives on until the resurrection, when the voice of Jesus calls forth the sleeping dust. We shall then enjoy the fullness of the blessed, glorious hope. We know in whom we have believed. We have not run in vain, neither worked in vain. A rich, a glorious reward is before us. It is the prize for which we run for. If we keep patient with courage we will surely get it....

“There is salvation for us, Why do we stay away from the fountain? Why not come and drink that our souls may be refreshed and may grow in God? Why do we hold on to earth? There is something better than earth for us to talk about and think of. We can think of heaven. Oh, let us think about Jesus' lovely, spotless character. We will become changed to the same image of Jesus as long as we look at Him. Be of good courage. Have faith in God” (Maranatha, page 304, adapted).

## Southern Deaf Fellowship Camp Meeting

Photo by Jeff Joran

This year's Southern Deaf Camp Meeting at Cohutta Springs Conference Center on the weekend of August 7 to 11 had a team of six health experts who presented important health topics. The theme was, "Is There a Doctor In the House?" with Dr. Schubert Palmer (a heart surgeon at Loma Linda University Hospital in Loma Linda, CA, and White Memorial Hospital in Los Angeles, CA) as the main speaker. His sisters are Jaycee Robinson and Glenda Palmer-Reese, who is deaf. His team members: Yolanda Palmer, wife of Dr. Palmer; Drs. Ralph & Joy Peterson of Oakwood University in Alabama; and Drs. Ron & Magna Porterfield of Tennessee.

A total of 91 persons came to camp meeting to hear the health messages. ASL interpreting team of Melissa Jordan, Mario Lett, and Harold Molina were helpful for the Deaf to receive the health messages. Many thanks go to their tireless efforts in conveying the messages.

The health messages have been video recorded and posted on the SDF website.

In addition to the adult meetings, we had about 20 kids and teens who attended the children's program or the teens' program, which were led by Anissa Michalek and Jaycee Robinson, respectively.

Graham McGrath and Hayden Grundy were baptized at the lake. To God be praised!

Yearly camp meeting is very important because it is the only time that the Deaf from near and far get together for spiritual food, fellowship, and fun activities. The dates for next year's SDF Camp Meeting are August 5 - 9, 2020. Make a plan to attend it for your spiritual sake!

## DEAR Camp Meeting

Photo by David Trexler

Since 2001 the Deaf members of Silver Spring SDA Church then DEAF organized in 2006 have hosted our retreat then camp meeting at Camp Blue Ridge. For this year it is different. We hosted it at Mt. Aetna Retreat Center near Hagerstown, MD which is about one and a half hour of drive from the D.C. area. Camp Blue Ridge is about four hours away. We had a wonderful blessing at the new place. What caused us to move from CBR to Mt. Aetna? Last year in November some of DEAF women joined Burnt Mills SDA Church's women for their women's retreat at Mt. Aetna. Naturally, the women did enjoy it spiritually and physically. Some of the Deaf members expressed their interest in having our DEAR to be at this place as a trial. The location is closer and the meals were great. Somehow Deaf Young Adults for Christ (DYAC) had planned to be there about the same time as ours. With the agreement we moved our scheduled camp meeting dates to match with theirs, but they started a day earlier.

DYAC had their own program while DEAR had its own with a special guest speaker, Clifford Goldstein, who is the author of "1844 Made Simple" which was the topic of the series for DEAR. He gave us very insightful message about God's plan for us. It was the first time in DEAR's history to have a hearing feature speaker with the help of two ASL interpreters. Did we get the blessings? Of course! The Spirit of God blessed us through the presentations by Elder Goldstein and the fellowship with each other. On the Sabbath DYAC and DEAR met at Cedar Hall which was DYAC's place of meeting to worship together with our feature speaker. We closed the camp meeting with the vespers and the candlelight vigil. We will come back to Mt. Aetna next fall.

## DYAC Camp Meeting 2019

Photo by Farrah Santiago

The DYAC Camp Meeting was held concurrently with DEAR at Mt Aetna Retreat Center in Hagerstown, MD. DYAC welcomed 19 campers from different parts of USA. Different presenters gave workshops & presentations based on a specific theme throughout the camp meeting: “Let God Fight Your Battles.” Joshua Piccerillo gave two presentations on the significance of prayer and Bible study. Song Hoa Choi led a workshop on how to answer challenging Bible questions. A financial workshop titled “Overcoming Financial Battles” was given by Farrah Gooding-Santiago. Amanda Colgan gave a presentation on the science of habits and the different ways to overcome bad habits. Morning devotions were given by Uloma Ballard and Nicolette Reynoso. Lastly, but not the least, Josiah Kelly shared tips on how to befriend Deaf people and Bible marking. He also led Sabbath School, focusing on the topic of forgiveness.

On Thursday afternoon, DYAC tremendously enjoyed the team challenge activity given by Joel from Mt Aetna Retreat Center. The children and their mothers went horseback riding. On Friday, the campers had a great time climbing and ziplining. DYAC joined DEAR in candlelight vigil on Friday evening and Sabbath worship service where Clifford Goldstein gave an in-depth overview on the topic of investigative judgment.

If you know someone who is between the ages of 18 – 38, please tell them about DYAC and contact us at [DYACDeaf@gmail.com](mailto:DYACDeaf@gmail.com). We would love to meet more Deaf Young Adults!

## Deaf Women’s Retreat 2019

Photo by Judy Johnson

We members of the Deaf Women’s Ministry went to one-week getaway on September 22-26, 2019 at Camp Tilikum, Newberg, Oregon to learn more about fellowship with God and how to share the gospel.

We enjoyed hiking around the man-made lake several times. We also spent the time studying the Sabbath School every day. In addition, we shared with one another information about bone health and Alzheimer’s.

We praised God for His encouraging message and much-needed rest.

I received a message from a lady in Florida who saw our pictures and wanted to know when next year 2020 would be as she was interested in attending our retreat.

Ronda Alexander, Director, and her committee did really a good job with God’s help to make our retreat more family-style, warm, and spiritual. We are looking forward to the next one!

## DeafNation Expo at Riverside

Photo by DeafNation

*Aivars Ponkratjevs with David and Francisca*

The first autumn's DeafNation Expo was held at the Riverside Convention Center in Riverside, California on September 21. The weather was perfect, and the attendance was excellent with more than 3,400 visitors! We had a good number of visitors, especially with our old school friends to our booth. I was was thrilled to meet my old school friend whom I haven't met for fifty years. We talked for an hour about our friends whom we know at CSDR. I was saddened to learn that some of them had passed away—some through drugs, crime, poor health, etc. Aivars Ponkratjevs was with us, and he was very valuable to us for meeting some of the Deaf people whom he knows in his area.

While we were still in the area we visited our good Adventist friends, Dina Rouhe and Edy Holm at their home where Dina hosted her own birthday celebration. She invited Tom and Erma Groth and Gregory and Gunita King with their friends for the celebration. Dina's relatives were there as well. The visitation was precious to them as for us. Finally, before we left for home we had a nice visit with our friends who are a couple who graduated from CSDR and Gallaudet at a restaurant. We were happy to know that they wanted us to keep in touch with them, even though we are Adventists. Praise the Lord! One more visit as our habit every time we go to California for an expo we stopped by to visit a former Adventist whom we know since Gallaudet days. We have not failed to visit him because we are still friends with him despite the difference in beliefs and practices. The visit was well worth it because it gave him much needed encouragement.

The side trip to the Deaf Expo is very important for us to spend some time visiting with some of the lonely Deaf members and former members. The visitation has the tendency to give encouragement and recognition that they are valuable. We are praying for the good results from the trip as we will find out in heaven.

## DeafNation Expo at Staten Island

Photo by David Trexler

*Charmaine Logan with Francisca*

It was the first time for the DeafNation Expo to host at Staten Island, which is part of New York City. It is a southern island across from Manhattan. The location of the expo was at a college's gym. The attendance was over 2,100 visitors from PA, NY, NJ, MD and Delaware. Again, the weather was gorgeous and the crowd was friendly. We had a good number of visitors to our booth. We were happy to have Charmaine Logan and her son coming to see us. We met some Deaf persons who know Josiah and Monica Kelly who used to live in Syracuse, NY before they moved to Salem, VA. The presence of Adventists in the Deaf community is very important. Deaf people, whether they be Christians or not, need to see the light of the gospel through us. It is the time for us to work as Jesus commands to warn the world as He is coming sooner than we think. I believe that the Deaf community is in a darker world than hearing people because of the lack of voluntary and paid missionaries for the Deaf. It is true that we have the technologies to spread the gospel like live-streaming worship, presentations of different topics, etc., but the personal visitation work much better. Visitation gives a personal touch that inspires and encourages the Deaf.

Francisca is teaching the principles of health at Lewisburg SDA Church's school.

Like last year Deaf Celebration hosted the same civic center in Richardson, TX. 3ADM's booth was ideally located in the hall where many visitors walked past and stopped by to talk with us. Many of them accepted our materials. We had some surprise when some of the Deaf visitors came to our booth who are friends of our friends. A good example is that a Deaf lady who stopped by and chatted with Francisca. I asked her if she is from the Dallas area. She said that she is; then I asked her if she knows Pastor Ron Friedrich, who is the hearing Lutheran pastor for the Deaf in Silver Spring. Again, she said yes, and she was surprised that Ron is a good friend of mine whom I met at Gallaudet University in the chaplain office when I was the pastor before I accepted the call to be Speaker/Director of 3ADM. Because of our friendship with the pastor this lady became close with us.

We were happy when Gloria and Rumaldo Guerrero came to stop by. They are from Pharr, TX. Gloria who is hearing is involved with the Deaf ministry in her area. What a good time in chatting with them! At the closing of the exhibition a couple—hearing man with his girlfriend who is Deaf—stopped by and talked with us for a long time. That hearing man know some sign language, and he is trying to encourage his girlfriend to be interested in spiritual things. Francisca was impressed with her who said that she wanted to keep in communication with her

for advice and support. From this experience we were uplifted because the Holy Spirit has been working among the visitors who are seeking to know God the Creator.

On Sunday morning we visited Lewisburg SDA Church for the fellowship with the local Deaf members and friends. Francisca gave a health presentation after the brunch. In the afternoon we visited a park for more time to talk, especially with the family with children. Jan Petchkurow was very gracious to us by sharing the meals and opening the school building for the meeting. She is doing her best to help the local Deaf members to have as relationship with Jesus Christ.

members of the same faith. They need a lot of encouragement through visitation.

*David M. Trexler*

We drove 13 hours to Nashville for 3ADM's exhibit booth during the weekend of October 12. The DeafNation Expo hosted in a brand-new fairgrounds' hall that was opened recently. There were many other religious booths and apparently, the visitors were more Christians than other places. A touching experiences of this ministry was that a Deaf girl who stopped by and talked with us about her love for Jesus Christ. She mentioned that she had a dream of seeing Jesus coming down to earth with the bright glory. Then she looked up and saw the banner showing Jesus looking at the earth. She was excited about seeing it in her dream! I was touched by her excitement, and I was impressed to show her the video presentation of "The Last Day Events." She stayed watching it all the time until her mother found her. Hopefully, her family members will be influenced by the material. Many people who are looking forward to Jesus' coming, but they are not aware of the fact that Satan can try to copy Jesus on earth to fool the world. That is the main reason for the DVD—The Last Day Events—that shows the fact that there will be false christs and false prophets coming to deceive the world, including Christians.

On the way back to home we stopped and stayed overnight with James and Priscilla Womack's home in Stanford, KY, about 15 miles from Danville where the KY School for the Deaf is located. We have not seen or met James for many years. It was a really refreshing fellowship. Then on the next day we visited Katrina Mansell who lives in Radford, VA. The visitation is very important for lonely Deaf members who have missed the fellowship with other Deaf

## DeafNation Expo at Tacoma

On October 19, 2019, the DeafNation Expo came to Tacoma, WA. It was a great event! Chuck McGehee and his wife, Barbie, my daughter Ariana and I were invited to come and help with the booth. I was able to help pass out 3ADM material to those who were interested. Throughout the day, several Deaf friends in the area, as well as interpreters who recognized me, stopped by to say hello and to find out what exactly 3ADM is. I had the great opportunity to be able to talk to people and explain exactly what 3ADM does and who the Seventh-day Adventist Church is. Other conversations opened up about what exactly do Seventh-day Adventists believe.

As an interpreter in the professional world, I am often not permitted to speak on what I believe at the various appointments I interpret. I was excited for the opportunity to be in a setting where I could share the word of God with the Deaf and allow God to use me to witness to others! This opportunity also allowed me to be able to inform people about Deaf events coming up in the future and where to find the SDA churches in the area. God blessed all four of us that day through our conversations and contacts. It was a huge blessing!
